

Editors Message

Dear readers,

We are happy to share our department's technical magazine 'Yantra Vidya' September 2022 Issue. Our magazine is available in digital edition at institute website. Magazine content are easier to explore and engage with. As a technical magazine, it is going to cover many issues related to emerging technologies in Engineering, career opportunities, technological innovations, overall development and much more. We aim for inspiring our readers by keeping them updated with the latest technological developments.

Also, we aim for motivating our writers and content providers by giving them a platform for sharing their views. We highly appreciate and thank our proficient writers, who have allowed us to share their views and stories.

Thanks for your time!!
