No registration fees

(Limited Seats-Max.100)

Last date for receipt of online application:

21th Nov. 2020

Participation Confirmation: 4th Dec. 2020

Course Period: 7th Dec to 12th Dec 2020

One-Week AICTE-ISTE Approved

Refresher Program on

Innovative Teaching-Learning

Methods

(Online Mode)

During

07th Dec. to 12th Dec. 2020

Organized by

Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering & Technology,

Vidyanagari, Bhigwan Road, Baramati,

Dist. Pune, Maharashtra.

About College:

Vidya Pratishthan is established in 1972 by the illustrious visionary, Hon. Shri Sharadchandra Pawar and indomitable leader, Hon. Shri Ajitdada Pawar with experienced guidance by the members of the Management Committee in the rural area at Baramati, about 100 Kms from Pune. VPKBIET is started in 2000 with the sole intention of bringing quality education to the door steps of the rural students. The Institute offers UG programs in Computer Engineering, Electronics & Telecommunication, Information Technology, Mechanical Engineering, Civil Engineering, Electrical Engineering along with PG courses. Recently, the Institute has focused on placements, skill development, IPR & patents, higher studies, entrepreneurships and incubations. The Institute has well-equipped labs, excellent infrastructure, green campus, experienced faculty and is accredited with 'A' grade by NAAC. In addition, there are 24 faculty with Ph.D. from IITs, NITs, other reputed Indian universities and 560 students were placements during last 2 years.

About General Science Department:

The Department has a prominent tradition in teaching and research culture. It encompasses the wide area of basic sciences and important aspects of engineering. There are 14 faculty and 5 of them have Ph.D. degree. The faculty have published more than 75 papers in national, international journals and conferences.

About ISTE:

The Indian Society for Technical Education (ISTE) is the leading national professional non-

profit making society for the technical education system in our country with the motto of career development of teachers and personality development of students and overall development of our technical education system. ISTE has an executive council at national level. It has active membership of more than 128500 technical teachers, 535000 student members, more than 2740 institutional members (including IITs, IISc., NITs and other leading technical institutions), 1414 faculty chapters and 1505 students' chapters at national level and 19 sections at state level.

About this Program:

There is a vast growth in technical education in India during recent years. Many students are taking engineering degree but only few of them are employable and therefore, the quality education becomes a major issue. To improve the overall quality of education, the teaching-learning process plays an important role. Thus, this program will help participants in this regard. This program consists of sessions from experts on innovative teaching-learning methods. The also program looks forward to bring together a sizeable number of teachers, researchers, experts engaged in different areas of science and technology to provide a platform for discussion and sharing of knowledge.

Course Contents:

- ❖ Student-Centered Teaching-Learning
- ❖ Online Teaching-Learning
- ❖ Challenges in Digital Learning
- ❖ Project-Based Learning

- ❖ Interdisciplinary Approach
- ❖ Emerging Fields in Science and Technology

Details of Registration:

Eligibility: Faculty from Engineering institutes and industry person. Preference will be given to **ISTE members**. However, those who are not ISTE member can apply for membership.

Instructions to Participants:

Interested participants must fill online registration form. Selected participants will be informed through email. To attend this online program, participant needs internet and required softwares. Participation certificate will be issued jointly by ISTE and AICTE New Delhi (as per the guidelines by AICTE-ISTE) to the participants who will attend all the sessions and secure 60% marks in the final test. The program shall be considered for career advancement scheme of AICTE.

Guest Speakers (Probable):

- Dr. Mrinal Patwardhan (IIT, Bombay)
- Dr. S. G. Deshmukh (IIT, Delhi)
- Dr. I. K. Rana (IIT, Bombay)
- Dr. B. B. Ahuja (Director, COEP, Pune)
- Dr. Y. V. Joshi (Director, SGGS IET, Nanded)
- Dr. M. S. Sutaone (Dy. Director COEP, Pune)
- Dr. P. R. Dhamangaonkar (Dean Student Affairs COEP, Pune)
- Dr. Hemant Abhyankar (Executive Director KJEEI, Pune)
- Dr. Sharad Gore (Former Prof. & Head, SPPU, Pune).
