

Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering and Technology,

Baramati Department of Artificial Intelligence and Data Science

A.Y. 2025-26, SEM-I

Guest Session Report

Date: 21/08/2025, 10.00AM.

Subject: Constitution of India

Class: TY - A,B (AI &DS)

Semester & Academic Year: 2025-26

About Speaker:

Monika Khindre - Jinde : Monika have completed her B.S.L L.L.B L.L.M (Artificial Intelligence) Degree from Chandigarh University and is currently working as Assistant Professor in Vidya Pratishthan's Vasantao Pawar Law college. Conducted research on current trends and best practices in education methodologies. She also has provided academic support to students through office hours and mentoring sessions, adapted teaching methods and materials to meet students' varying needs and interests.

Topics Covered:

1. Introduction to the constitution of India
2. The Genesis of Nation's Guiding Document
3. The World's Most Comprehensive Written Constitution
4. Key Attributes of the Indian Constitution
5. The Soul of the Constitution: The Preamble
6. Upholding the Core: The Basic Structure Doctrine
7. A Framework for Justice and Inclusivity
8. The Living Document of India's Democracy

Objectives:

- **Understanding the Framework of Governance:**
 - To learn how the Indian government is structured and functions (Legislative, Executive, Judiciary).
- **Awareness of Fundamental Rights and Duties:**
 - To know the rights and duties of citizens as enshrined in the Constitution.
- **Knowledge of Democratic Principles:**
 - To understand core values like justice, liberty, equality, and fraternity.
- **Promoting Constitutional Morality:**
 - To develop respect for constitutional values and the rule of law.
- **Understanding Historical and Social Context:**
 - To explore the historical background and reasons behind the framing of the Constitution.

Student Engagement :

Students carefully listened to the session and understood the importance of the constitution of India. Students actively participated in the session and were asking doubts regarding the constitution of India. Students also asked doubts regarding different laws in the constitution. Students also resolved their queries regarding fundamental rights.

Learning Outcomes:

- **Comprehensive Understanding of the Constitution:**
 - Learners can explain key features like the Preamble, Fundamental Rights, Directive Principles, etc.
- **Ability to Analyse Legal and Political Issues:**
 - Students can critically assess contemporary constitutional and legal developments.
- **Informed Citizenship:**
 - learners demonstrate awareness of their rights and duties in practical scenarios.
- **Respect for Democratic Institutions:**
 - Learners appreciate the roles of Parliament, Judiciary, and Election Commission.
- **Promotion of Social Justice and Equality:**
 - Understanding how constitutional provisions aim to eliminate discrimination and promote welfare
- **Participation in Civic Life:**
 - Increased involvement in social and political discussions, protests, voting, and community work.
