**Student Association of Artificial Intelligence (SAAI)**

## **Inauguration:**

The Department of Artificial Intelligence and Data Science proudly organized the inauguration ceremony of the Student Association of Artificial Intelligence (SAAI) on 15th September 2025. This event marked an important milestone in fostering innovation, collaboration, and technical growth among AI & DS students. The inauguration served as a platform to introduce SAAI to students and faculty while outlining its vision for the academic year.

Date: 15 September 2025

Venue: 3rd Floor, AI & DS Department

Management Team: SAAI Members

The ceremony commenced in the presence of the HOD Dr. Chitanya Kulkarni and SAAI coordinator Mrs. Nisha H. Songire, esteemed faculty members, and enthusiastic students. The atmosphere was filled with excitement as the SAAI team welcomed everyone to witness the unveiling of a new chapter in the department's journey.

The inauguration began with a warm welcome address by the SAAI core committee, followed by a ribbon-cutting ceremony and the official revealing of the SAAI logo. The Head of Department delivered an inspiring speech highlighting the importance of technical clubs and student associations in nurturing leadership qualities and providing opportunities beyond the classroom. He encouraged students to participate actively in upcoming SAAI activities and to utilize the platform to sharpen their problem-solving and AI skills.

### **About SAAI:**

Established in 2023, SAAI aims to bridge the gap between academic learning and practical implementation. It provides students with opportunities to showcase their talents, participate in competitions, and gain real-world exposure to artificial intelligence technologies. Through workshops, coding contests, and cultural programs, SAAI nurtures creativity, teamwork, and innovation.

## **Main Event:**

The highlight of the day was the flagship coding competition 'CodexClash', which attracted 60 participants from various years of the department. The contest comprised four intellectually stimulating rounds:

1. Technical Quiz
2. Debugging Round
3. Reverse Coding
4. Problem Solving Challenge

The competition witnessed intense coding battles, creative approaches, and an exchange of innovative ideas.

## **Prize Distribution:**

After a thrilling competition, the winners were announced and felicitated by the HOD and faculty members. The results were as follows:

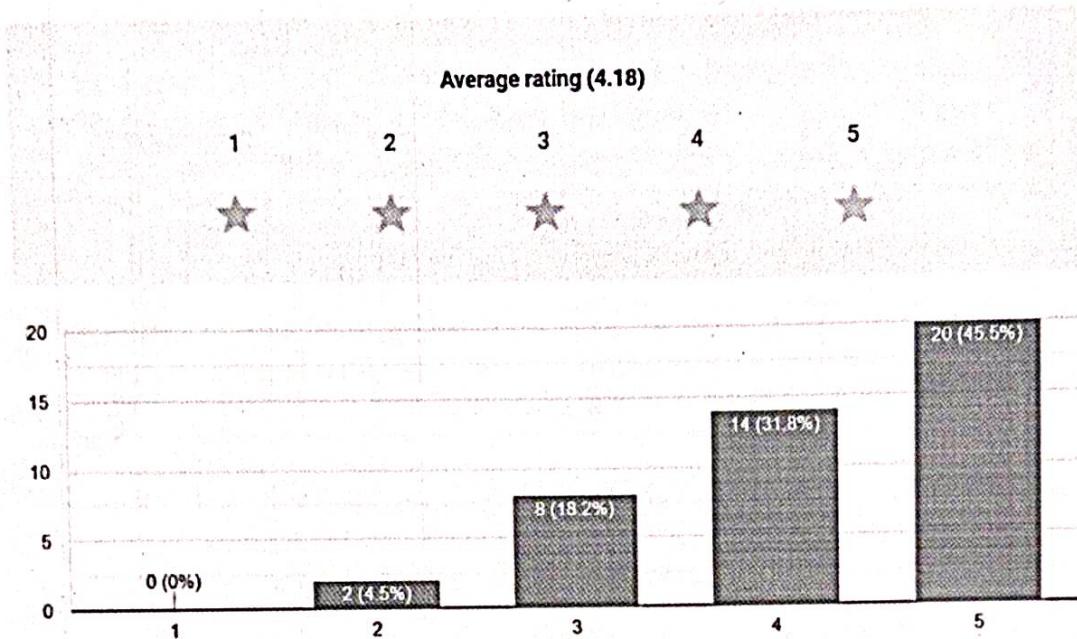

- First Prize: Mr. Omkar Kadam – Awarded a cash prize of ₹2000 for his outstanding performance.
- Runner-ups: Mr. Indrajeet Kokate and Mr. Siddhesh Phadtar – Commended for their exceptional coding skills.

All participants were appreciated for their enthusiastic participation and problem-solving abilities.

### Feedback From Participants :

The event concluded with positive feedback from students and faculty members alike. Participants expressed that CodexClash not only enhanced their technical skills but also fostered teamwork and healthy competition. Faculty members praised the SAAI committee for their dedication, seamless execution, and efforts in making the inauguration a grand success.
