Short report on guest lecture conducted on 02 August 2024, Friday by 3 Alumni

The department of Civil Engineering has organised guest lecture of alumni to guide TE, BE students about “opportunities available in govt depts and preparation for it”. The 2021 batch alumni, consisting of Mr. Saurabh Nagtilak (JE Zillha Parishad), Ms. Diksha Gore (JE PWD), and Mr. Tushar Dhawade (JE PWD), currently employed in government departments, counselled TE, BE students on 02 August 2024 to undertake rigorous preparation and focused study to achieve their objectives, while also emphasizing the diverse career prospects available to Civil Engineering students in the future.

They also discussed with students with their doubts in preparation and different platforms to join govt services. They also motivated students for academic preparation and participation in different activities.

This expert lecture was conducted under centre of Excellence ‘Architecture and Town Planning’ as a part of ‘Experts Talk series’.

Outcome: students got to know different opportunities govt departments to work and how to prepare for it.

Relevance to program outcomes: PO1, 2, 3, 4, 5,6, 8, 9 ,12

Feedback analysis:

Class/ Type of participant

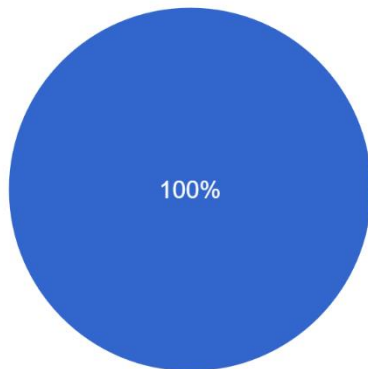

11 responses

- BE Civil
- TE Civil
- Faculty (VPKBIET)
- anyone other than above types

Whether today's session was informative ?

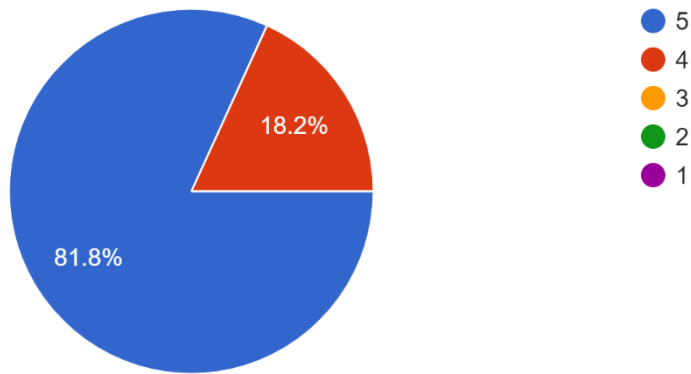

11 responses

- Yes
- No
- Not up to the mark

How would you rate today's session on the scale of 5 to 1 (5=Best and 1=Poor)?

11 responses

What did you learn from this expert talk?

11 responses

How to study for government exams. And much more.

opportunities available in govt

Study consistently

Do hard work

Preparation strategy

Yes

It was very knowledgeable

It helps lot

It is important to decide what things to focus on like whether to try for government jobs or private jobs.
