

Short report on 'Alumni meet' conducted on 22nd February 2025

VPKBIET Baramati has organised an Alumni meet on 22nd February 2025 in main building conference hall of VPKBIET at 11 am and it was in online mode too through Google meet. Alumni of various batches and branches visited institute to cherish their good memories and interacted with dept faculties and students.

Prof. Dr. P. R. Chitrgar (Dean, Alumni) briefed about different student's centric development activities which we conduct in institute. He also explained progress of Institute in last 5 years and shared details of results of the students and different achievements of students and faculties. He explained placement details and planning for placements and many courses planned for enhancing employability skills of students.

Dr. S. B. Lande (Principal, VPKBIET) asked alumni to have interaction with current students through different lectures and guidance for industrial exposure which will help students in log run. Principal Sir motivated all to do contribute in all types of works through quality and by giving sufficient time for knowledge enhancement.

Details of Alumni Present for this meet are as follows:

SN	Name of Department	Number of Alumni present
1	Electronics and Telecommunication Engineering	7
2	Computer Engineering	7
3	Information Technology	2
4	Mechanical Engineering	4
5	Electrical Engineering	5
6	Civil Engineering	8
7	Artificial Intelligence and data science	2
	Online participants (all branches)	Approximately 70
Total		105

At the end of meeting many Alumni shared their thoughts and industry experiences with students and faculties. Some of them expressed interest to guide current students and to plan different industrial visits and lectures for current students to have good Industrial exposure. They also gave some suggestions for development of students.

After that we took group photo and went for lunch together which was arranged for Alumni.
