

VPKBIET Baramati
Department of Civil engineering

Date:15/01/2026

To,
The Principal,
VPKBIET, Baramati.

Subject: CONSTRO 2026 exhibition visit report

Respected Sir,

Thank you very much for granting permission to visit the international exhibition CONSTRO 2026 held at the International Exhibition and Convention Centre, Moshi, Pune, on 10th January 2026.

We, Dr. N. T. Suryawanshi, Dr. R. J. Patil, Dr. Y. H. Tambe, Dr. Paritosh Singh, and Dr. U. T. Jagdale, visited the CONSTRO exhibition. We had a fruitful interaction with Mr. Manoj Deshmukh, Director, MD Consultants, Pune. As per the earlier discussion, he signed the MoU with the Department of Civil Engineering, and we handed over the MoU document to him.

Further, we discussed the SPPU curriculum and the existing curriculum gaps. He also reviewed the Institute and Department Vision, Mission, and PEO statements and provided valuable feedback on the same.

We visited various stalls in the exhibition and had very good interactions with the marketing teams of companies working in the manufacturing and service sectors. We learned about innovative practices, emerging technologies, and current market conditions in civil infrastructure. During the visit, we also discussed student internship opportunities with company executives and collected brochures and visiting cards for future communication.

Departmental students also visited the CONSTRO Expo on 10th and 11th January 2026. They visited the exhibition stalls and had the opportunity to interact with representatives and observe advanced construction materials, equipment, construction chemicals, and emerging technologies.

The glimpses of MoU handover ceremony, the visit and stall interactions are attached herewith.

Thanking you.

Yours sincerely,

Dr. N.T. Suryawanshi
