

Report on Online Parent–Teacher Meeting

Final Year B.E. Civil Engineering (AY 2025-26)

Date: 10 January 2026

Mode: Online (Google Meet)

Coordinator: Dr. N. T. Suryawanshi

Introduction

The Department of Civil Engineering organized an **Online Parent–Teacher Meeting** for the parents of Final Year B.E. Civil Engineering students on **10 January 2026** through **Google Meet**. The primary objective of the meeting was to strengthen the collaboration between the department and parents, discuss students' academic progress, placement opportunities, departmental activities, and obtain valuable suggestions for the holistic development of the students.

The meeting was coordinated by **Dr. N. T. Suryawanshi**, with active participation from the Head of the Department, Dean Academics, Training & Placement Coordinators, faculty members, parents, and students.

Proceedings of the Meeting

The meeting commenced with a warm welcome to all the parents by **Dr. N. T. Suryawanshi**, Coordinator of the programme. He introduced the faculty members and presented an overview of the Civil Engineering Department. During his presentation, he explained:

- Institute & Department Vision and Mission.
- PEOs and Program Specific Outcomes (PSOs).
- Departmental activities undertaken to achieve the Vision, Mission, PEOs & PSOs.
- Academic, technical, co-curricular and extracurricular initiatives organized for the overall development of students.
- The importance of parents' support in enhancing students' academic performance and professional growth.

Following this, **Dr. C. B. Nayak**, Head of the Department, addressed the parents. He highlighted the various departmental activities conducted throughout the academic year and emphasized the department's expectations from students regarding academic discipline, regular attendance, skill development, ethical behaviour, and active participation in technical activities. He also requested parents to continuously motivate and monitor their wards for their overall personality development and career preparedness.

Dr. Bhosle Sachin, Dean Academics, explained the institute's academic regulations, examination policies, attendance requirements, continuous assessment process, and the importance of maintaining academic discipline. He encouraged parents to remain actively involved in monitoring their wards' academic progress and to communicate regularly with faculty members whenever required.

The **Institute Training and Placement officer, Mrs. Jyoti Kulkarni**, briefed the parents about placement activities conducted by the institute. She explained the current industry expectations, placement preparation process, internship opportunities, aptitude and soft skill training programmes, and the importance of communication skills, technical competency, and professionalism. She emphasized that parents play a significant role in motivating students to actively participate in placement-related activities.

The **Department Training and Placement Coordinator, Mr. Rushikesh Khartode**, discussed students' mindset towards placement activities. He encouraged parents to motivate their wards to participate sincerely in placement drives, aptitude training, technical skill enhancement programmes, internships, certification courses, and mock interviews to improve employability.

Parents appreciated the initiatives taken by the department and actively interacted with the faculty members. They expressed their views, raised queries regarding academics and placements, and appreciated the continuous efforts made by the department for the all-round development of the students.

The meeting concluded with a vote of thanks by **Dr. N. T. Suryawanshi**, who thanked all the dignitaries, faculty members, parents, and students for their valuable participation and support.

Outcomes of the Meeting

- Strengthened communication between parents and the department.
- Parents gained awareness about departmental Vision, Mission, PSOs and academic activities.
- Parents understood institute academic policies and placement processes.
- Parents assured their support in motivating students towards academic excellence and career development.
- Valuable suggestions from parents will help in improving departmental initiatives for student development.

Glimpses of online Parent–Teacher Meeting conducted through Google Meet with active participation of parents, faculty members and institute authorities.
