## ***Introduction***

Sandeep Gholve is a skilled and experienced professional currently working as a Technical Team lead at TomTom GmbH, Berlin, a position he has held since December 2018. With a solid track record in backend systems and DevOps practices, he brings a depth of technical expertise and a strong problem-solving mindset to his role.

He holds a Diploma in Advanced Computing (DAC) from CDAC Pune, where he achieved an A grade, along with a Bachelor's degree in Information Technology from Pune University, India. His academic background has laid a strong foundation in software development and system design.

Sandeep continued to engage in learning and development activities, contributing significantly to technical initiatives and collaborative projects. His work ethic, technical acumen, and leadership qualities are consistently reflected in both individual and team-oriented environments. With a blend of education and over six years of professional experience, Sandeep remains committed to innovation and continuous improvement in the software engineering field.

## **Session**

Sandip delivered an inspiring and insightful talk on building a successful career, using real-life examples from distinguished alumni. He thoughtfully highlighted the journeys and efforts of former students who have achieved remarkable success in their fields.

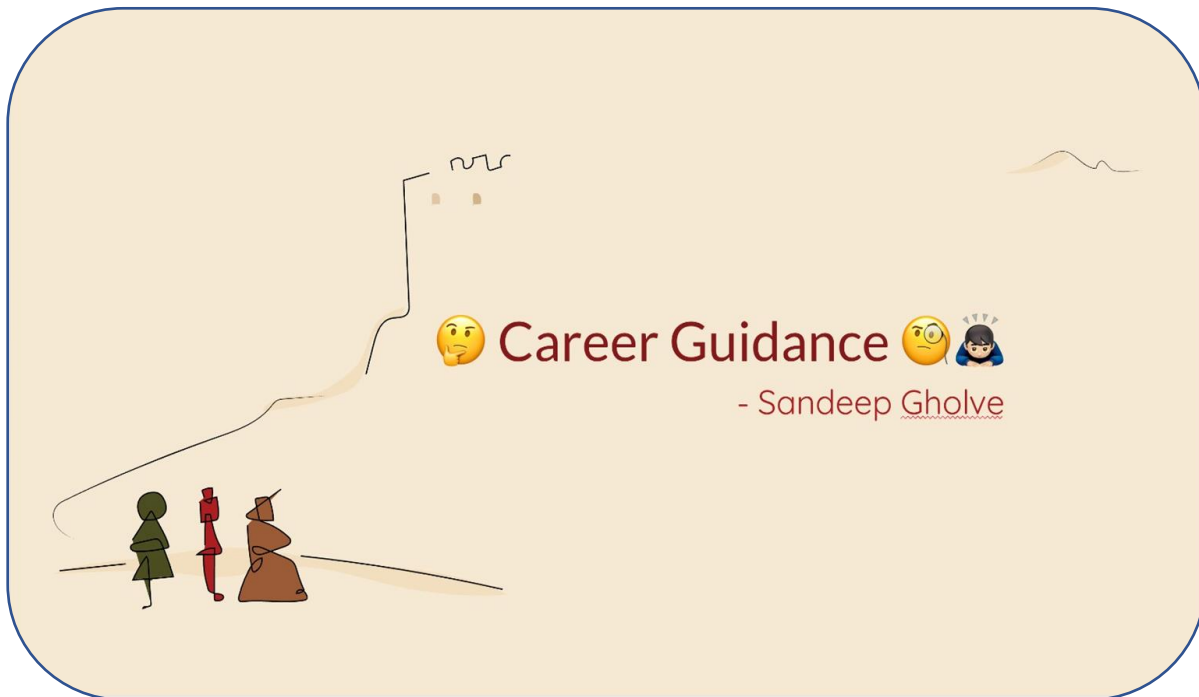

Each story was powerfully connected to a book that reflects the individual's mindset—"The One Thing" for Anil Shinde, emphasizing focused determination; "Deep Work" for Dipak Patil, illustrating the power of concentration; and "Stay Hungry Stay Foolish" for Nitesh Gaikwad, representing relentless ambition and innovation.

Sandip's talk masterfully weaved these narratives to motivate current students, showcasing the dedication and perseverance behind every achievement. He also introduced various online platforms and career websites, enabling students to explore industry roles, understand career trajectories, and stay updated with

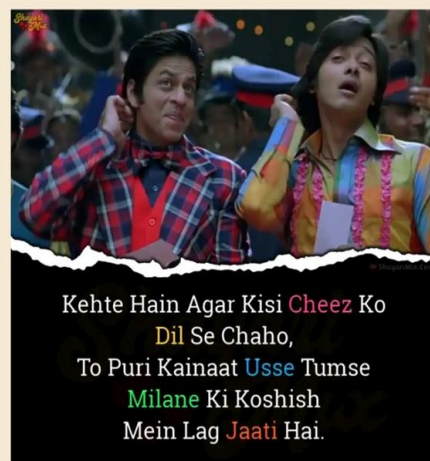

current salary trends. His session left a lasting impression, guiding students with both inspiration and practical resources for shaping their future.

Total Students Attended – 60

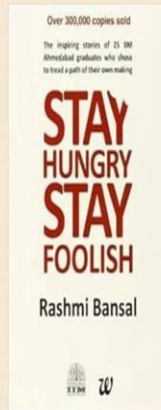

Total Faculty Attended – 10

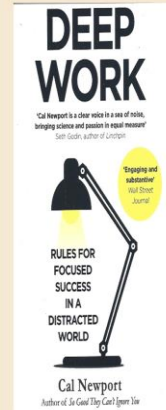

Story #1: Anil ( Business Head at LBS Software )

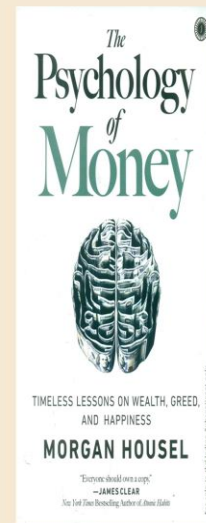

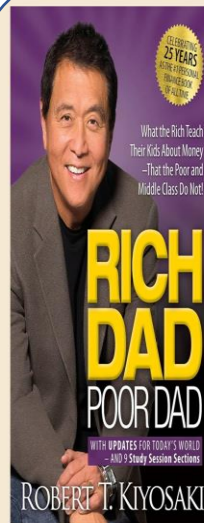

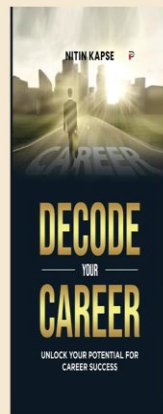

Story #2: Nitesh ( Global CISO - Chief Information Security Officer at Raisin )

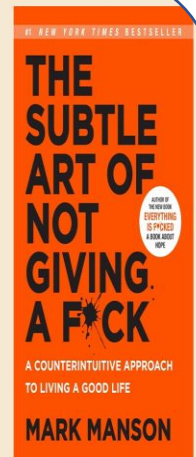

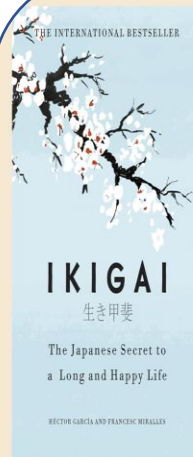

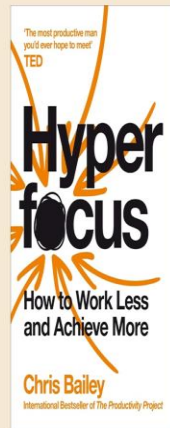

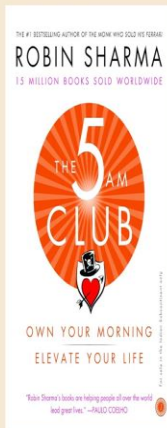

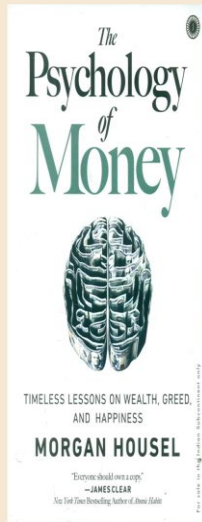

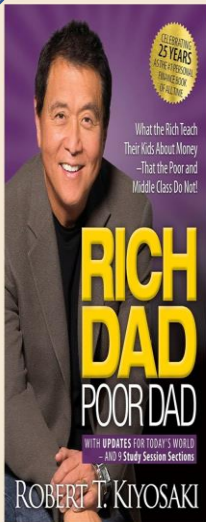

Story #3: Dipak ( Product Development Manager at ION )

Story #4: Nitin ( Data Engineering Consultant | AI Engineer | IT Career Mentor | Author | Helping IT Professionals to Achieve 2x Career Growth | [Databricks Certified](#) )

02<sup>nd</sup> April 2024

To,  
The Principal,  
VPKBIET Baramati

Through: - Head of Department Computer Engineering

Subject: - Permission for organizing Career guidance Program for TE (Comp, IT, AIDS)

Respected Sir,

With reference to above mentioned subject, we are kindly requesting to grant the permission for organizing career guidance program for Third Year students of Computer, Information Technology and Artificial Intelligence & Data Science on 11<sup>th</sup> April 2025(Friday) at Conference Hall, Main Building.

Expert for this program is Mr. Sandip Gholve (BE Information Technology and C-DAC) currently working at TOM TOM Location Technology, Berlin (Germany). He is having around 20 years of experience in IT. (CV is attached herewith).

*Tentative budget for this program will be around 1500 Rs which includes felicitation of Expert and his refreshment.*

A detailed schedule will be prepared soon and communicated once after the permission.

Thank you,

Rajaram Ambole

Computer Engineering Department

*Permitted.  
Take it under H.C program.  
Please check in budget honorarium and  
all hospitality is considered.

### FEEDBACK on Expert Session on Career Guidance

11 April 2025

By

Mr. Sandip Gholve

(Technical Lead, Tom Tom Technology Solution, Berlin(Germany))

#### Participant Details

Name:- Patil Ekta Amit  
Contact No:- 8830781500  
Email:- ekta.patil.comp.2024@vpkbiot.acg  
Department:- Computer Engineering

Session Feedback (Please rate the following on a scale of 1 to 5)

1 = Poor | 2 = Fair | 3 = Good | 4 = Very Good | 5 = Excellent

Criteria	Rating
Relevance of the topic	5
Knowledge and expertise of the speaker	5
Clarity and delivery of the content	5
Interaction and engagement during the session	5
Usefulness of the session for your academic/career	5
Time management and session structure	5
Overall satisfaction	5

What did you like most about the session?

- The real experience which they have shared with us. Interaction among us.

Topics you would like to see in future expert sessions:

- Career journey of all those 5 members.
