Report on Expert Session – General Aptitude

The Department of Computer Engineering, VPKBIET, Baramati organized an expert session on General Aptitude for Third-Year Computer Engineering students on 10th September 2025. The session was conducted by Dr. Vinod Todakari, Faculty of Mechanical Engineering, VPKBIET. The program was coordinated by Mrs. Monali U. More, CESA Coordinator, and was attended by 121 students in Classroom 16 (Main Building) from 10:15 am to 11:20 am.

The session focused on enhancing the logical and problem-solving abilities of students, which are essential for competitive exams and campus placements. Dr. Vinod Todakari covered the following important topics during the session: Time, Speed & Distance, Boats & Streams, Calendar Problems, Simplification & Approximation, and Coding & Decoding.

Dr. Vinod Todakari explained the concepts with clarity and solved practical examples, which helped students understand various shortcuts and techniques for solving aptitude-based questions quickly and accurately. The session was highly interactive, as students actively participated and clarified their doubts.

The program provided valuable insights and strategies to strengthen students' aptitude skills, which will be beneficial for their academic growth, placement preparation, and competitive examinations.

We sincerely thank Dr. S.B. Lande, Principal, VPKBIET, for his constant encouragement and support in facilitating such academic activities. We also extend our gratitude to Dr. Arvind Jagtap, Head of the Department of Computer Engineering, for his valuable guidance and motivation throughout the planning and execution of the session.

We appreciate the efforts of Mrs. Monali U. More, CESA Coordinator, for arranging and coordinating the session successfully, and we are grateful to Dr. Vinod Todakari for making general aptitude concepts easy to understand through his insightful and engaging session.
