Guest Lecture Report

Topic: Expert talk on "Innovation and Entrepreneurship: Driving Change in the 21st Century"

Date: 21/08/2025

Time: 10:00 am to 11:00 am

Mode: offline

Contents of the program:

On August 21st, the Department of Computer Engineering successfully organized expert talk on "Innovation and Entrepreneurship: Driving Change in the 21st Century" of third year (T.Y) student and was accompanied by around 110 people. This expert session will walk you through the dynamic world of innovation and entrepreneurship, highlighting how these forces are driving profound change in the 21st century. We will explore: What innovation and entrepreneurship really mean today and why they are more important than ever, how emerging technologies and global trends are reshaping industries and creating new opportunities.

Objectives:

The primary objective is to provide a clear understanding of what innovation and entrepreneurship mean in today's globalized and tech-driven world. To Highlight the Importance of Innovation in Driving Societal and Economic Change and Discuss how innovative ideas and entrepreneurial ventures are solving real-world problems and shaping future industries also To Inspire an Entrepreneurial Mindset Among Participants, Encourage creativity, critical thinking, risk-taking, and resilience necessary for entrepreneurial success.

Outcomes:

After attending the session, students will gain a solid grasp of key concepts related to innovation and entrepreneurship in the 21st century also students will be motivated to think creatively, embrace risk, and pursue entrepreneurial opportunities in their own fields, improved Problem-Solving Skills means Through case studies and discussions, students will develop better approaches to identifying and solving real-world challenges.

Resource Person Details:

Dr. Vinod Todkari

B.E.(Mechanical Engg.),M.Tech (Thermal & fluids Engg.),Ph.D.

Assistant Professor Dept.of Mechanical Engg.

VPKBIET,Baramati

Participants: Students, faculty from the host institute

No. of Participants Attended the session: 100

Number of Students:100

Number of Faculty members from host institute:10

Feedback Analysis:

Sr. No.	Particulars	Response				
1	Learning objectives were clear	Strongly Agree 35.6%	Agree 58.1%	Strongly Disagree 6.8%	Disagree 1.24%	
2	Course organized to allow all students to participate fully	Strongly Agree 37.26%	Agree 56.52%	Strongly Disagree 6.8%	Disagree 1.24%	
3	Are you willing to attend more sessions on Entrepreneurship in Future?	Yes 98.13%	No 1.24%	-	-	
Sr. No.	Particulars	Response				
		Rating (5)	Rating (4)	Rating (3)	Rating (2)	Rating (1)
1	How would you rate the session?	53.81%	29.90%	8.30%	-	7.97%
2	Is it going to help you in future?	51.16%	25.58%	13.95%	-	6.97%
