

**Vidya Pratishthan's Kamalnayan Bajaj Institute of
Engineering and Technology, Baramati- 413133**

Department of Computer Engineering
Computer Engineering Student Association (CESA)

Title of Session	Public Speaking and General Aptitude
Expert	Dr. Vinod Todakari, Faculty of Mechanical Engineering, VPKBIET, Baramati
Audience	SY Computer Students
Date	26 August 2025
Time	9:15 am – 11:15 am
Venue	Conference Hall (Main Building)
Organizer	Mrs. Monika Jagtap, Co-curricular Activity department Coordinator

Objective

The main objective of the session on Public Speaking and General Aptitude was to:

- Enhance students' confidence and effectiveness in public speaking.
- Develop communication and presentation skills essential for academic and professional growth.
- Improve logical reasoning and problem-solving abilities through aptitude training.
- Encourage active participation, self-expression, and stage presence among students.
- Prepare students for future challenges such as interviews, group discussions, and competitive examinations.

About the session:

A session on Public Speaking and General Aptitude was organized for the Second-Year Computer Engineering students on 26th August 2025 at the Conference Hall, Main Building. The session aimed at enhancing communication skills, building confidence in public speaking, and strengthening aptitude abilities of the students.

Dr. Vinod Todakari, an esteemed faculty member of the Mechanical Engineering Department, VPKBIET, was invited as the expert for this session.

- He emphasized the importance of effective communication and stage presence in professional as well as academic life.
- Practical tips on overcoming stage fear, voice modulation, and body language were shared.

- The session also included interactive aptitude exercises, focusing on logical reasoning and problem-solving skills.
- Students actively participated in discussions, answering aptitude questions and volunteering for public speaking practice.

Student Feedback

The students expressed that the session was highly engaging and practical. They appreciated the way Dr. Vinod Todakari simplified the concepts of public speaking and aptitude through real-life examples and interactive activities. Many students mentioned that the tips on stage confidence, handling nervousness, and voice modulation were especially helpful. The aptitude exercises were well-received, as they provided hands-on practice and boosted problem-solving confidence. Overall, students found the session motivating and valuable for both academic and personal development.

Outcome

The session proved to be highly effective in enhancing the overall confidence of students in public speaking and communication. They were able to learn practical techniques to overcome stage fear, improve body language, and present their ideas more effectively. In addition, the aptitude exercises strengthened their logical reasoning and problem-solving skills, encouraging them to think critically under time constraints. The interactive nature of the session kept the students engaged and motivated, preparing them for future challenges such as interviews, group discussions, and competitive examinations.

The session was successfully organized under the guidance of **Mrs. Monika Jagtap, coordinator of Co-curricular Activity**.

Attendance:

Karmaveer Bhausaheb Patil Institute of Engineering and Technology
Department of Computer Engineering
Expert session on "Public Speaking and general Aptitude"

Class: SY(B)
