

## Vidya Pratishthan

Kamalnayan Bajaj Institute of Engineering and Technology, Baramati

### Two day Arduino Programming and Simulation

Two day workshop on “Arduino Programming and Simulation” was organized on 21 Oct-22Oct 2023.

Organized by: CoE, supported by Bharat Forge

**Resource Persons:** Dr.Jyoti Rangole, Associate Professor, Dept. of E&TC Engineering, VPKBIET, Baramati and Ms. Komal Gaikwad , Assistant Professor, Dept. Artificial intelligence and Data Science, VPKBIET, Baramati

**Workshop Contents:** Introduction to Arduino CC, Introduction to Arduino Development Boards, Interfacing of I/O devices including interfacing of Sensors, motors, actuators, Case studies and projects on robotics.

**Number of Participants:** 36

**Bharat Forge Supported Center of Excellence for Youth Development**  
at  
**Vidya Pratishthan, Baramati**

Organizing 2 Day Workshop  
on  
**Arduino Programming and Simulation**

**Workshop Highlights**

- Introduction to Arduino CC
- Introduction to Arduino Development Board
- I/O Interfacing and Case Studies
- Live Projects

**Day & Date:** Saturday & Sunday 21<sup>st</sup> -22<sup>nd</sup> Oct 2023 (10 AM TO 4 PM)

**Register Here:**  
<https://forms.gle/eWIXFPGSpdIdALNDA>

**Registration Charges: Rs.300/-**  
**Pay Here:**

**Resource Persons:**  
Dr. Jyoti Rangole  
Mrs. Komal Gaikwad

**Contact:**  
9767742224  
7380571186

**Venue:**  
BFL CoE  
VPKBIET, Baramati

**Exciting Prizes for Participants**

**Event Flyer:**

Glimpses during Workshop
