**Regarding Indian knowledge system**

**Project presentation program**

**Arranged by First Year Engineering student's**

**Division's :- CIVIL**

**ELECTRICAL**

**MECHANICAL**

**ENTC**

**Dr. A. G. Sajjan**

**HOD,**

**( Department of First Year Engineering )**

**Dr. ANIL HIWAREKAR**  
**(Dean Academics)**

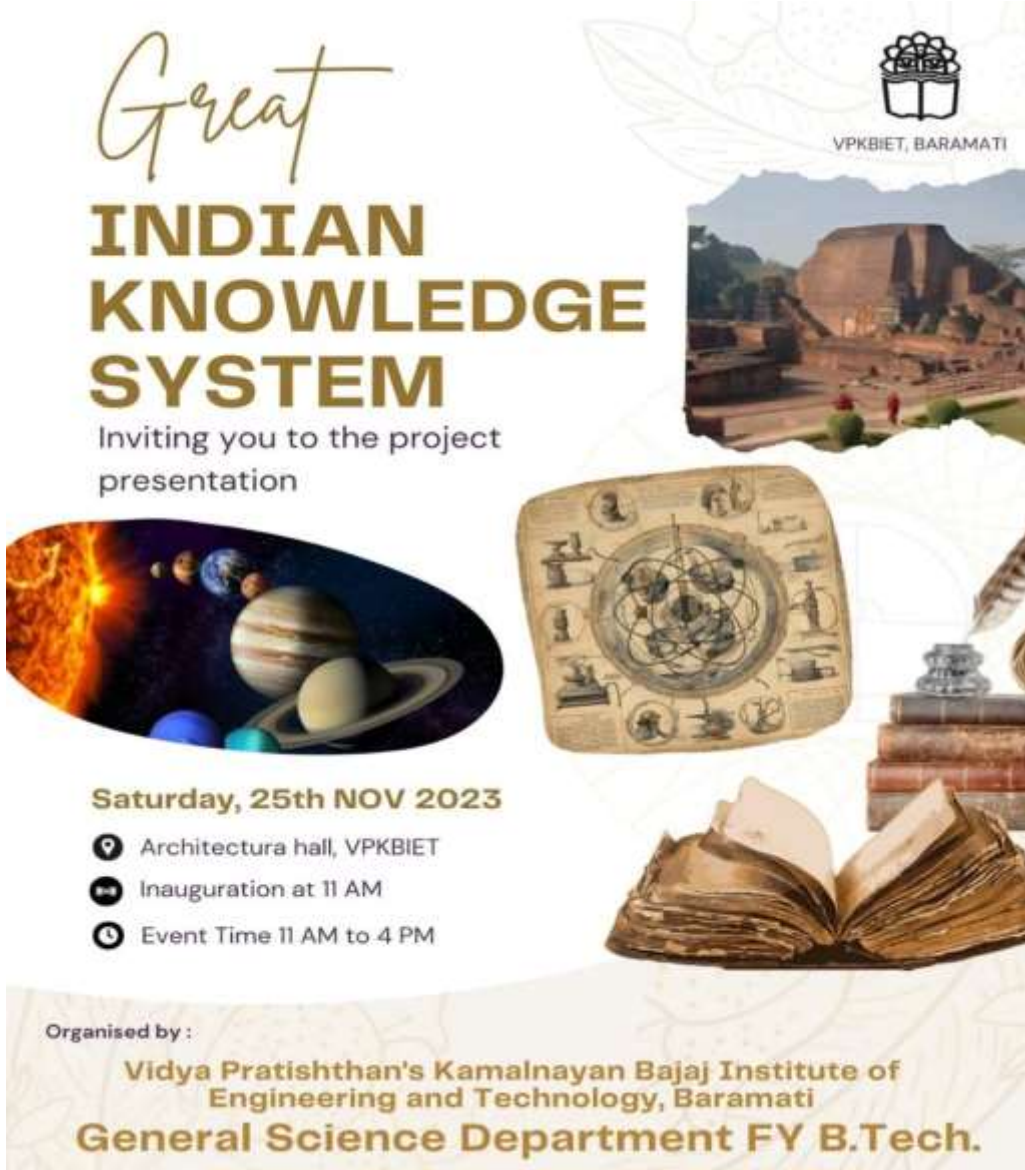

**Dr. Rajveer Shastri**  
**(Registrar VPKBIET)**

**Dr. R. S. Bichkar**  
**(PRINCIPAL VPKBIET)**

# ACKNOWLEDGMENT

India has a rich and diverse knowledge system that encompasses various fields such as mathematics, astronomy, medicine, philosophy, and more. Ancient Indian scholars made significant contributions to mathematics with the invention of zero, the decimal system, and algebraic concepts. In astronomy, they developed sophisticated methods to calculate planetary positions and made crucial advancements in medicine, including Ayurveda, a holistic health system that's still practiced today. Philosophical concepts like yoga, meditation, and the concept of dharma originated in India and have had a profound impact worldwide. And also the knowledge about Ancient Universities' like Nalanda ,Takshashila, sharada vidyapeeth etc. Acknowledging the depth and breadth of India's knowledge systems is crucial in understanding the global history of ideas and innovations.

# INTRODUCTION

*Great*  
**INDIAN  
KNOWLEDGE  
SYSTEM**

Inviting you to the project  
presentation

**Saturday, 25th NOV 2023**

- 📍 Architectura hall, VPKBIET
- 🕒 Inauguration at 11 AM
- 🕒 Event Time 11 AM to 4 PM

Organised by :  
**Vidya Pratishthan's Kamalnayan Bajaj Institute of  
Engineering and Technology, Baramati**  
**General Science Department FY B.Tech.**  
Divisions : Mechanical, Electrical, Civil & ENTC

It is with great pleasure that we present this report on the Indian Knowledge Systems (IKS) project exhibition, a momentous event held on November 25th. This exhibition was a celebration of cultural richness and collaborative endeavors, shedding light on the invaluable indigenous knowledge that was shared and explored. Join us as we delve into the diverse array of projects that graced this occasion, fostering a deeper understanding of the intricate tapestry of Indian Knowledge Systems.

**The program starts with the auspicious Act of cracking coconut with the hands of chief guest Respected Principal Sir And HOD Sajjan Madam, as per Our culture.**

**As soon as the chief guest arrived they have their {Asana}.**

**Anchoring by Samruddhi and Swaraj ,**
