Report on 'Snake Awareness Program'

Under the noble guidance of our Hon. Principal, we organized the "Snake Awareness Program" with proper planning for the staff of our institute as well as the security staff of Bharat Vikas Group (BVG) on 23rd Sept 2017 one day prior to the NSS day. During the rainy season, different species of snakes (venomous, non-venomous) including common krait, viper, Indian spectacular cobra are found in Baramati and around realm. There are many superstitions, lack of information resulting in improper remedial measures, killing of snakes after the snake bite, resulting in destruction of the healthy environment.

विषय - आभार पत्र

मा. महोदय,

आपण, आमच्या विनंतीला मान देऊन आपल्या संस्थेच्या सिव्हील डिपार्टमेंटच्या वतीने दि. २७/०९/२०१८ रोजी रक्तदान शिबीर आयोजित केले. त्यामध्ये आपल्या संस्थेच्या विद्यार्थी व शिक्षक यांनी उत्स्फूर्तपणे भाग घेऊन ६३ विद्यार्थी-विद्यार्थिनी यांनी रक्तदान करून सतर रक्तदान शिबीर यशस्वी केले. वारामती शहरामध्ये डेग्यु व स्वाईन फ्यु यांचा साथ असलेमुळे रक्त व रक्तघटकांची यांची कमतरता होती. आपण आयोजित केलेल्या रक्तदान शिबीरामुळे सतर रुग्णांना आम्ही रक्त व रक्तघटक यांचा पुरवठा सुरळीतपणे करू शकलो. त्याबद्दल आम्ही आपले व आपल्या संस्थेतील विद्यार्थी-विद्यार्थिनी, शिक्षक यांचे मनापासून आभार मानतो.

धन्यवाद.

आपला विश्वासू

Rutuja Balgude (TE Civil) sang bhajan. Abhishek Mankar (BE IT) recalled that as our VP campus was awarded the first rank for the most clean campus by state government in 2017-18, so, it is moral duty to maintain the rank. Delhi is the third most polluted city in the world. By 2030, asthma rate will be double. Plastic is not biodegradable and hence we should avoid single use plastic.

Later, the students and the staff were distributed into various parts of 5 kms in the periphery of VP. The students visited many service centers, residents, staff quarters, convinced to avoid single use plastic and collected 60+ sacks of single use plastic which is going to be picked up by the Baramati Municipal Corporation soon.

Throughout the academic year, we are keen towards the cleanliness movement and will continue during the future tenure also.
