

Vidya Pratishthan's Kamalnayan Bajaj Institute of Engineering and Technology,
Baramati

Training and Placement Department

Activity Report

Name of Activity: - Role of Cocubes in Student in Student Development and Placement.

Date of Activity conducted: - 29/08/2020 to 29/08/2020

Activity Organized by: - T&P Department in association with AON Cocubes.

Session Speakers/Trainers: - Mr. Shashank Mishra (Regional Head AON Cocubes).

Target Audience: - BE students (All branches).

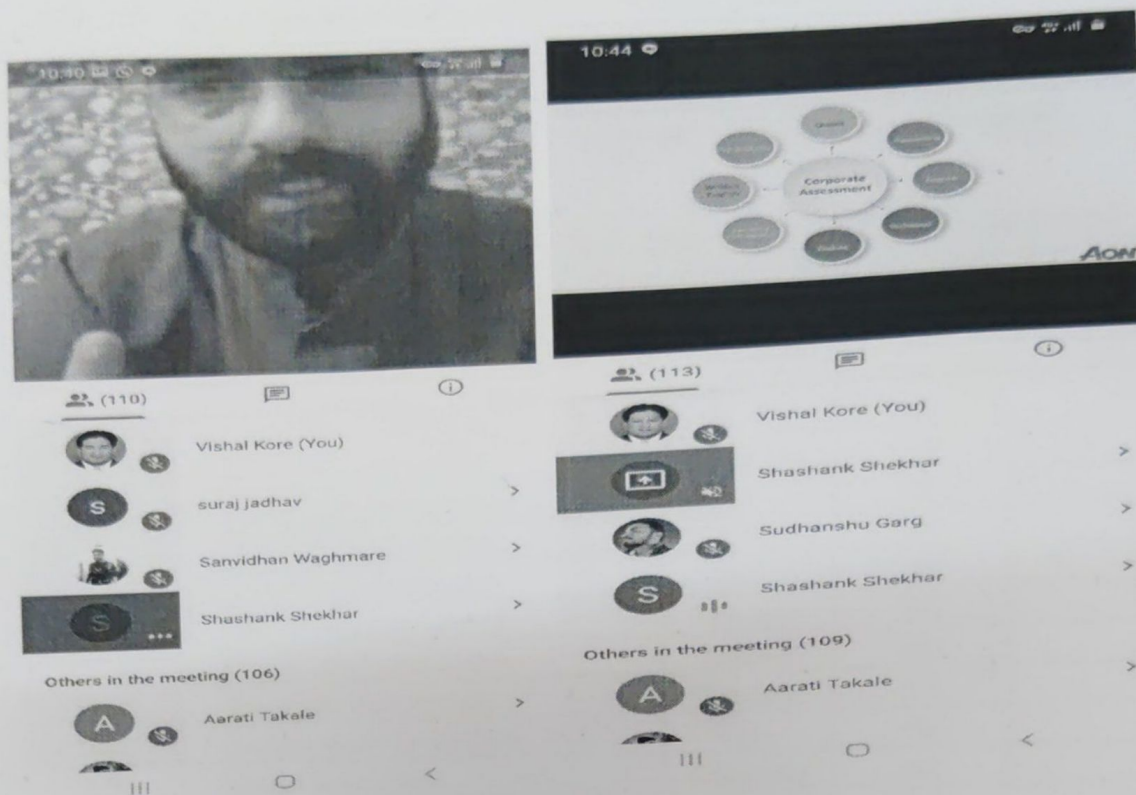

Objective of Session/Training: - To create awareness among the students about skills required to get a job in industry. To convey the students how Cocubes assessment tests will help them to improve their technical and non-technical skills and the placement opportunities provided through the Cocubes.

The institute has tied up with one of the leading student's skill assessment companies AON Cocubes in 2020. Training and Placement Officer Mr. Vishal Kore has invited Mr. Shashank Mishra and Mr. Sudhanshu Gard from AON Cocubes to conduct the interactive session on "Role of Cocubes in Student in Student Development and Placement" for final year students.

Mr. Shashank Mishra who is regional head of AON Cocubes accepted the request of TPO and conducted a very informative online session for final year engineering students on 29/08/2020. Mr. Shashank Mishra has explained briefly about the Assessment Test format of Cocubes and How it is helping students to check their skills. He said that after every assessment test students will receive a result analysis report from Cocubes which will help them to identify the strong and weak areas. By studying that report students will come to know what they should do to improve their skills and to get the job.

Mr. Shashank Mishra has shown a presentation about tests format, client list of AON Cocubes and overall development plan. Students were very attentive during the session and they have replied to all the questions asked by Mr. Shashank Mishra. Mr. Sudhanshu Garg, a colleague of Mr. Shashank Mishra, worked as a moderator for an online session. Mr. Vishal S. Kore has done anchoring during the session.

It was a career guidance session Mr. Shashank Mishra has answered to all the queries asked by students regarding their career and industry requirements and culture. Mr. Mishra has motivated core branch students to apply for IT job opportunities. He has given many examples and proved that the Core branch engineering students also play an instrumental role in IT companies.

Screenshots of Online Session

Expected Outcome: - Students should understand the current market situation and try to grab the upcoming placement opportunities. Students should be able to understand the importance of having skill assessment tests/partners. Students should be able to identify their weak areas and start taking efforts to overcome them.

Date: - 30/08/2020
