In the BOS Meeting following suggestion received:

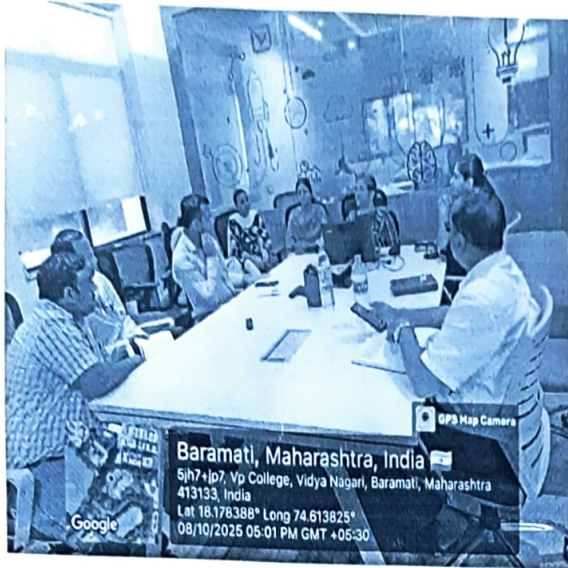

1. All the points in BOS Meeting IV are incorporated and presented in the BOS meeting V:
 - a. TW weightage is required for courses that have PR exams to ensure continuous assessment.
 - b. BSC and ESC number of credits should be either $14+16=30$ or $18+12=30$.
 - c. Add Tutorials for Discrete Mathematics and Theory of Computation.
 - d. Project Execution and Reporting Frequency of Students during sem-VIII should be defined properly.
 - e. Passing scheme should give importance for Insem and activity. Presently, students may have very less marks in Insem and activity and still pass the course.

- f. Revise track name for Systems and Security electives.
 - g. SWAYAM /NPTEL Credit transfer policy needs to be defined.
 - h. Open electives may be covered under NPTEL/SWAYAM.
 - i. Establish Internship cell as per guidelines of Govt. Maharashtra.
2. In Internship course, in addition to On Job Training provide the option of
- a. Research internship from reputed institute
 - b. In-house project development
 - c. Freelancer Project Development
3. In EEM category, Software Project Management course can be taken and BoS members have given approval for the same.
4. "Software Design Pattern" may be added as an Elective Subject.
5. Research Methodology (RM) course may be a combination of RM and Project Work: Title finalization and Literature Review. Name of the course may be "Research Methodology Towards Project".
6. For course "HS23402-Public Speaking and Aptitude", plan to have either of CAA or TW mark allocation.
